AN
ACT

- EN** 1. Rupture Culture Society is an act. A collective charge.
2. A force moves through space and bodies, answering the call of matter.
3. Matter is not inert. It holds a compressed light.
4. A light that does not illuminate: it cuts, carves, passes through.
5. Creation emerges from friction — between surface and presence.
6. Body and matter share the same impulse. We are its resonance.
7. The ritual is urban. Collective. Monumental.
8. And it takes form when matter emerges.
9. The Diesel Living W/ Iris Ceramica co-branding campaign is back.

COMEBACK

1. Un rituale si nutre di ripetizioni.

2. Cadenze di un tempo che ritorna,
ogni volta unico, memorabile

4. Un'unione tra anime diverse,
ma intimamente sintonizzate.

3. Rupture Culture Society è il rito
collettivo che celebra un ritorno.

5. Al ritmo di un richiamo,
magnetico e potente.

6. Simbiosi di visioni coraggiose:
inedite e vive.

ACID FLOWER is a vivid reinterpretation of the classic floral themes of Dutch and Flemish masters. Tulips, roses, and peonies intertwine in a lively dance of color, reimagined with a bold, contemporary "on acid" twist.

ACID FLOWER è una vivace reinterpretazione dei classici motivi floreali dei maestri olandesi e fiamminghi. Tulipani, rose e peonie si intrecciano in una vivace danza di colori, reinterpretati con un audace tocco contemporaneo, quasi "psichedelico".

DISTRESSED RUG trae ispirazione dai tappeti antichi, reinterpretando elementi decorativi classici radicati nella tradizione persiana. Cultura e tempo sono incisi sulla superficie come nella pietra, creando uno spazio al contempo distintivo e sereno, esaltato dalle sue tonalità naturali. Con il passare del tempo, le superfici si consumano e frammenti vengono rimossi, rendendo il cambiamento stesso parte integrante del design.

DISTRESSED RUG is inspired by antique carpets, reinterpreting classical decorative elements rooted in Persian tradition. Culture and time are etched into the surface like stone, creating a space that is both distinctive and serene, enhanced by its natural tones. As time wears surfaces away, fragments are removed along the way, making change itself an integral part of the design.

ACID MAJOLICA è un prodotto decorativo elegante e versatile, disponibile in una vasta gamma di colori. Ispirata alla tradizionale maiolica portoghese, viene reinterpretata con il tocco distintivo di Diesel. Il motivo è volutamente distorto – “in stile acid house” – per un effetto audace e contemporaneo.
